Rules for measure and release

1. All fish to be rounded down to the nearest cm, all fish over 18cm count.
2. Fish must be placed in a bucket of sea water and taken to the adjacent angler to be measured, witnessed and recorded on your match card, the fish must then be gently returned to the sea **immediately, in front of that angler**. Fish for the table must be dispatched and have their tail removed at this point.
3. Fish length, weight and running total, must be recorded and signed by the adjacent angler, before the next cast is retrieved.
4. Match cards must be signed off, total weight recorded and witnessed by the adjacent angler.
5. All anglers are stewards. It is in yours and everyones interest to see that correct procedures are adhered to, to ensure fair play.
5. Damaged and unreadable cards may be disqualified.
6. Weavers, mackerel, sea trout, salmon and all shads are banned.
7. Failure to comply with any of the above, or any match rules, may lead to disqualification.

Fish longer than the stated chart will be awarded points marked in red for every additional centimetre.
